

Mexican American Studies Assessment Rubric

Assessment Activity: Qualifying Exam

Student Name:

Date:

Dissertation Committee Member Name:

Directions:

Evaluate this student's first annual progress review by assigning a score between 1 (needs improvement) and 5 (excellent) for each of the criteria described below. Below each score and statement, briefly comment on the rationale if your score is less than 5.

Turn in your completed rubric to the committee chair before leaving the review.

Evaluate:

1. The scholarly paper is well-written and reflects good potential for the development of strong research and scientific writing skills. **Score:**
Rationale if under 5:
2. The student possesses a general, broad knowledge of Mexican American Studies, and at least one to two relevant fields, sufficient for success in doctoral study. **Score:**
