

## Mexican American Studies – Student Progress Information Sheet

Every year the department conducts an annual student progress review to discuss the progress of the doctoral students. Each of the students will be discussed to make sure the Department is giving adequate support for progress toward graduation, to address any potential concerns, and to recognize special achievements.

We are asking all students to provide the following information. Please return this sheet to Lucia ([lemadera@arizona.edu](mailto:lemadera@arizona.edu)) and to your advisor by . Thank you!
